HOW IT WORKS

The ad links directly to any website you provide.

Ads are rotated among spots of the same size on all pages of the website.

We can track and provide statistics on how often the ad is clicked (for most ads).

You can customize the campaign to fit your needs.

These online banner ads are priced by impressions, which is the number of times you want your ad to be viewed. Each ad is sold in increments of 1,000 impressions.
